

2023 MN Energy Expo

November 7, 2023

Golden Valley Country Club

Call for Presentation Abstracts

EnergyExpo@mnashrae.org

Abstract submissions due September 24

Presentations – We are looking for educational topics related to energy efficiency and decarbonization to be presented by an individual or team. We are targeting educational topics with relevance to current events and issues in energy, with special consideration to panels.

Abstract Considerations –

- Presentation Title
- Topic and presentation summary in 500 words or less
- Worthiness, 300 words or less (why this topic is relevant and a good fit for the MN Energy Expo)

Presentation Rules:

Content – The Conference seeks to educate its audience and *not promote any specific brands*. Exhibit space is available for all promotional activity. Only presentations that are venter-neutral will be considered. Presentation selections will be made based upon desired topics, flow of content, educational value and understanding of the content. All selected content will be published in Conference publications and online.

Agenda Schedule – The conference organizers will set the time for each presentation, in order to optimize the sequencing and flow of content. Specific scheduling requests will be considered. If selected, **full presentations due to the planning committee by October 21 for review.** Submit proposals to EnergyExpo@mnashrae.org.

Who Attends?

Engineers
Utilities
Energy Professionals
Energy Consultants
Facility Personnel
Researchers
Students

Presentation Ideas

Case Studies
Building Codes
Energy Policy
CARD Grant Project
Decarbonization and strategy
Innovative technology
Commissioning
Distributed Energy Resources
Make a Suggestion

Speaker Benefits:

All speakers *will* receive the following: a complimentary pass to the Conference with access to all sessions, exhibition hall, breakfast, and lunch. Speakers will be featured in the conference publication and on the Energy Expo website. Supporting staff or colleagues participating in the presentation will also have access to these benefits.

Presentation Proposals, Questions, and Other Inquirers can contact:
